

Portfolio

IDEATIVE's portfolio consists of products in the consumer electronics and home/office electronic hardware markets. All products are RoHS compliant and CE Marked where applicable. In addition to our standard products, we develop custom solutions upon request.

FlexUSB™ Adapter

FlexUSB is the small lightweight USB adapter that bends, rotates and locks into place. FlexUSB allows USB devices to be used with all computers in even the most cramped environments. This patent-pending product is designed for Windows and Mac platforms, and for all USB devices, including USB 2.0. Standard color is black, other colors available.

FlexUSB™ Cable

FlexUSB Cable is the USB cable with our patent-pending flexible connector. FlexUSB Cable provides versatility in difficult to reach and confined spaces, requiring less than half the footprint of conventional USB cable connectors. Designed for Windows and Mac platforms, this USB 2.0 cable is available in Type B, Mini-B and Extension versions. FlexUSB Cable is available in lengths from 3in. to 50ft. Standard color is black, other colors available.

FlexUSB™ Coiled Cable

FlexUSB Coiled Cable is the perfect cable for PDAs, smart phones and digital cameras. Our exclusive design combines all the functionality of our other FlexUSB Cable products, in a space-saving coiled cable. FlexUSB Coiled Cable stores easily for travel, without the need for tie-wraps – then expands to the proper length when needed. Our 12in. cable expands to 3ft. Designed for Windows and Mac platforms, this USB 2.0 cable is available in Type B, Mini-B and Extension versions. Our FlexUSB Coiled Cable is available in multiple lengths and colors.

VGA270™ Rotating VGA Cable

VGA270 offers unique features unlike any other product on the market today. Its right-angled connector rotates 270° and locks in all four positions, easing installation in cramped environments. Plus, its oversized thumbscrews support a quick and secure connection. VGA270 is a UXVGA cable handling resolutions up to 1600x1200 pixels. VGA270 is available in lengths from 3ft. to 50ft., and with multiple connector combinations.
