

Water Leaks Cause Major Problems

LeakFrog Can Help!

- "This little frog saved us a few thousand dollars in damage."
- "The air conditioner had started leaking and it notified us immediately. Without it, we would have had to replace carpet and file an insurance claim."
- "I got the warning I needed to save stuff in the basement from getting soaked."
- "It woke me up in the middle of the night to alert me that water was coming into my garage! I was able to move stuff so it didn't get wet!"
- "LeakFrog detected the leak on our icemaker quickly so we just cleaned up with a towel, instead of flooding the entire kitchen floor."
- "They have saved me on several occasions, twice under the kitchen sink and once with the toilet plumbing. I highly recommend this item."
- "Found the leak before it turned into a major problem. Cheap insurance!"
